

The James F. Byrnes Foundation hosted its first Super Weekend in March of 1975, and since that time something indescribable happens when the Byrnes family comes together. As a scholar, it has been difficult to explain it to our family and friends, because this is something you must experience for yourself.

As March is just around the corner, we want you to gather your family and join us for our weekend of fun, festivities, and lots of food. Each year our Super Weekend gets better and better, and we want you to be a part of this mini vacation.

This weekend continues to impact our lives because the Foundation Board of Directors believes strongly in the Byrnes family traditions of building bonds of friendship and providing love, understanding and support for each family member. The weekend is free of charge to current student scholars and our 2019, 2018, and 2017 scholars and is priced very reasonably so all others can attend and enjoy the meals and activities.

This year we have a **“Neon Lights at the Beach – It’s a Glow Party”** and throughout the weekend as we build relationships, there will be many opportunities for carnival inspired activities. For we are firm believers that “the family that plays together, stays together.” We encourage all scholars to reach out to those from your era and encourage them to attend this annual event. Scholars, if you need contact information for other scholars, please call the Foundation office, and we will help you make those connections.

Super Weekend is March 15 – 17, 2024. Check your family calendar and make plans to meet us in Garden City Chapel and Retreat in Garden City, South Carolina. **We are making plans now, so go ahead and confirm your reservation before the deadline.** This year we have on-line registration through a google link on the back of this letter. If you prefer, you can also send your registration via email. Do not send money now, you can pay Sunday before you leave. We are looking forward to seeing YOU there!
