

Introducing Our New

JFBF App for your Mobile device...

It is another way to stay connected with the Byrnes Family !

Our goal is for the Byrnes Foundation and JFBF Scholar Logos to be “everywhere” and for your scholars and friends of the foundation everywhere to be connected. “Everywhere” now includes the smart phone that you take with you everywhere.

Now our scholars from South Carolina to California to Korea and everywhere in between can stay connected with the foundation and scholars by downloading the new JFBF mobile app.

What can you do on the new JFB mobile app? See dates and details for the next Fall Dinner and Super Weekend, learn

historical facts about Pop Byrnes, become a Maude’s Angel, 1-touch call the foundation office, and more. Download the app on your smart phone right now by visiting www.zazzy.com/jfb or by scanning the QR code below with a scanner app.

Scan this code
with your smartphone.

WE WANT YOU TO STAY CONNECTED ...

The Byrnes Family can stay connected through e-mail, face book and now our new mobile app.

From your computer :

- Join the e-mail list to receive the E-letter from the office that includes updates, birthday notices, etc. If scholars want to send information to scholars, please send it to the Byrnes office to be included.
- Go to the Byrnes Scholars website www.byrnesscholars.org, click on the Communicate tab, and get connected.
- Become a fan of the James F. Byrnes Face book page.
- Contact the office to receive contact information of Byrnes brothers and sisters you have lost connection with. Give them a call today.

This year, as in the past, we are looking for more scholars and their families to participate in our scheduled events. Connect and Re-connect. We will be looking forward to hearing from you.
